

COLUMNAS DE ALUMINIO DECORATIVAS

**ILUMINACIÓN
EXTERIOR**

2016

○ ILUMINACIÓN DECORATIVA

La iluminación exterior forma parte del paisaje, le da un carácter único al espacio urbano. Lo más importante es la estética, calidad, durabilidad y economía. Una amplia gama de columnas decorativas, brazos y luminarias, nos permite poder escoger la iluminación perfecta para zonas verdes, plazas y barrios. Nosotros presentamos soluciones modernas con base en la tecnología LED o con lámparas alta presión fabricadas en aluminio anodizado, o con cubierta plástica.
